

Announcing Serial Number digit change of KSS products

To Whom it May Concern,

Thank you for continuing to use KSS products, we appreciate for your loyal patronage.

We would like to announce new Serial Number format (added digit from 6 digits to 7 digits) due to current trend of increasing production and estimating production volume in the future.

This change has been implemented from 15th January, 2018.

【Comparison of Old and New Serial Number format】
